*a casual dining favorite*

A much-loved shape in the foodservice industry for decades, Rolled Edge is a classic ivory dinnerware with a traditional appeal for most tabletop environments. Rolled Edge dinnerware features a wide, food-framing rim and an appealing ivory finish. Alumina body offers exceptional durability and resists scratches, chipping, and center-plate impact. Its superior heat retention ensures that food will stay warm from the kitchen throughout the meal. Rolled Edge also offers an extensive selection of unique items and accessories, the right piece for every purpose.

*inviting edges, nostalgic appeal*

Bringing its own strikingly nostalgic charm to the table, Narrow Rim is an ivory dinnerware, also featuring an Alumina body, providing the exceptional durability and performance you come to expect. The narrow rim and deep well create ample plating space for more generous portions and sauce-based entrées. The smaller rim also magnifies plating space and lends the impression of a more fulfilling portion. Saving you precious tabletop real estate without sacrificing portion size: that's the beauty of Narrow Rim.

*serve with continental flair*

Inspired by the dramatic and graceful pointed arches of the great European cathedrals, this traditional dinnerware lends timeless elegance to dining tabletops and interiors. Gothic® features a subtle lattice sculptured rim motif, evoking the enduring architecture of some of the most breathtaking structures in the world. Gothic enhances food presentation with its graceful lines and mirror-like finish in a high-fire glaze. Destined for the fashionably elegant dining experience, Gothic presents a thin profile, yet is highly durable and abrasion-resistant. A medium depth well contains sauces, and Gothic's lattice sculpturing on the rim provides beautiful food framing.

**an american icon™**

One of the most collected dinnerware products in the world, the Fiesta® line was designed by Frederick Hurten Rhead and introduced to the American public by The Homer Laughlin China Company® in 1936. A.V. Bleininger brought the bright hues to the forefront, further popularizing the line. Introduced initially in just five colors, Fiesta was an unprecedented sensation. Today, Fiesta continues to add unparalleled character and vibrance to every table. Fifteen bold colors complement each other beautifully and can be mixed and matched with different shapes to ramp up or dial down the color range to suit your unique presentation or culinary whims. Fiesta's classic—and now famous—Art Deco design, with its concentric rings and stunning colors, making it the quintessential statement of retro American style.

**available in 15 colors**

Fifteen bold colors complement each other beautifully and can be mixed and matched with different shapes. Fiesta® is festive and fun—and a conversation starter that makes meals memorable.
