Crown Parian

“The perfect tabletop presentation for your catering business.”

Catering Dinnerware

Our catering dinnerware is light weight and durable. We use a thin edge in our design to cut down on the weight you have to transport to events. The glaze is commercial grade to be scratch resistant, and the decorations are made with high content gold and platinum to maintain their lustre over many years of service.

Brentwood Collection

The Brentwood Collection is our premier line of catering ware that is light weight, translucent and our most durable product. The glaze is extremely smooth and has the look of more expensive bone china. The high end look of bone without the added cost, more durable than porcelain. You will love this collection.

MICROWIRE CATERING BASKETS

Light weight and durable, these racks are great for storage, transport and clean up for after the event. Baskets are designed to fit each item in your inventory and to protect them from abrasion that occurs between the warehouse and your offsite events. Similar size baskets stack without damage to content to reduce storage requirements.

"Make your event memorable, make it Barenthal."
